Dear Mr. Golb:

On behalf of the CALFED Bay-Delta Program and the Bay-Delta Advisory Council (BDAC), I wish to thank you for organizing the NCWA panel for the BDAC meeting in Redding on Thursday May 14, 1998.

The comments from you and other panel members Tib Belza, Don Bransford, Andy Hitchings and Bill Gaines helped us achieve one of the goals of the meeting, which was to obtain a better understanding of the history of Northern California issues and how to continue identifying ways to address those issues.

As we refine the Program we will carefully consider the comments and suggestions. We look forward to NCWA's continued participation in the CALFED process.

Sincerely,

Mike Madigan, Chair  
Bay-Delta Advisory Council
